You are invited to the Semi-Annual General Meeting. Come over to say Hi! We need to discuss many important issues that affect our community. We are in need of volunteers to be Board Members. **You can help in the decision for the next year as long as your dues are current.** This is the time to make your voice heard, ask questions, and make decisions to improve your neighborhood. What would you like done to make a better and safer place to live?

We are looking for a maintenance person for May Creek. If you want to earn extra income and help take care of your community or know of someone that would be interested please contact us. However, anyone interested needs to be available to complete work in a timely manner. Please remember that May Creek Club takes care of roads and parks only, we cannot do anything about how people manage their property.

We will be going over voting and the budget at this meeting.

** If you are unable to attend this meeting and know of no other person who is attending to whom you would assign your proxy, you may assign it to any Board Member listed below, or check the box for quorum only. UPCOMING EVENTS

- **VERY IMPORTANT:** All homeowners who are more than \$500 past due have had a lien put against their house for non-payment of dues. Any homeowner who is \$300-\$700 past due will be turned into collections and taken to small claims. (**Note*** if you have payment arrangements set up, this will not affect you, but you have to have some sort of activity/payments on your account every month). Please call Becky at 425-350-1596 to make payment arrangements to avoid collection activity.
- **Snow:** Please remember that we do not start plowing until 3” is on the ground. We do not plow driveways or easements. Also our plow contractor has other jobs as well and has to maintain between all of them. Please take this all into consideration when the weather is bad.

THE CLUB NEEDS VOLUNTEERS TO BE INVOLVED WITH THE PARK COMMITTEE.

PUBLIC SERVICE ANNOUNCEMENTS

- **Homeowners living on the creek:** Everyone living on the creek can make a difference concerning how our creek flows. People are being flooded and loosing property because things aren't being done correctly. If you are someone wanting to make a difference and save your home, please call Jamie Bailes @425-379-2309 or 425-775-1311 (press 0). She is from the Department of Fisheries and Wildlife and is in charge of our area. She can help just give her a call.
- For current burn ban status and information, call 425-339-2300 or 360-793-1335.
- No dogs are allowed in any of our parks. Violators will be fined \$100.00.
- If you are currently renting your property, please be sure your renters have a copy of the rules.
- While children are playing or riding their bikes on the roads, please be sure they are wearing the appropriate safety equipment.
- Please observe stop signs for the safety of our children that are playing in the parks.
- Special monthly payment contracts can be arranged for those who are having trouble paying their dues. Please contact Becky at 425-350-1596.

PARKS AND ROADS

- Dumping of any material into the creeks is against the law. Violators will be turned into the authorities. If anyone sees material floating in the creeks, please help out by removing it and disposing of it properly.
- We encourage all parents and child care givers to strongly warn their children of the dangers of riding scooters, bicycles, skate boards, etc. in the streets. We have had several close calls.
- Automobiles parked on the right of way for more than 24hrs will be towed at homeowner's expense. If there is a automobile parked in front of your house (and you don't know who it belongs to) you should contact ASG Bookkeeping ASAP so that we can take care of it without you being billed.
- NO DOGS ALLOWED IN PARKS!
- NO unlicensed vehicles on the roadway, violators will be fined.
- Please help keep our parks clean.

AROUND THE NEIGHBORHOOD

All you have to do is take a drive around our little community and you will see changes everywhere. It's become clear with the construction of new homes we are growing. Saving money is always good so we would like to point out that, you the community would create big savings if you would clear the edge of the road in front of your property. The roads are owned by all, so pitch in and help. It's very costly to have the edges scraped.

- Please send all correspondence (such as dues, complaint forms, etc) to our address: **May Creek Club, P.O. Box 1087, Gold Bar, WA 98251.**
- If you are selling a house, paying dues, or just need property information, you can reach Becky (ASG Bookkeeping Services) at 425-350-1596 for all your needs.
