You can help in the decision for the next year as long as your dues are current. This is the time to make your voice heard, ask questions, and make decisions to improve your neighborhood. What would you like done to make a better and safer place to live?

We now have a website, please visit us at www.maycreekclub.com. Any and all information is available on there.

Please remember that May Creek Club takes care of roads and parks only, we cannot do anything about how people manage their property.

UPCOMING EVENTS

- **VERY IMPORTANT:** All homeowners who are more than \$500 will be turned into collections and taken to small claims court. Any homeowner who has a judgment against them from small claims will be given the opportunity to set up payment arrangements to avoid a lien being placed on the property and the start of foreclosure proceedings on your property as stated in our bylaws. (**Note*** if you have payment arrangements set up, this will not affect you, but you have to have some sort of activity/payments on your account every month). Please call Becky at 425-350-1596 to make payment arrangements to avoid collection activity. **It is in the best interest of the residents to make payment arrangements before your account has a lien or small claims case put against you as it adds an extra \$400 to your account! So if you want to save money, call and make arrangements for your past due account.**
- **Snow:** Please remember that we do not start plowing until 3" is on the ground. We do not plow driveways or easements. Also our plow contractor has other jobs as well and has to maintain between all of them. Please take this all into consideration when the weather is bad.

THE CLUB NEEDS VOLUNTEERS TO BE INVOLVED WITH THE PARK COMMITTEE.

PUBLIC SERVICE ANNOUNCEMENTS

- **Homeowners living on the creek:** Everyone living on the creek can make a difference concerning how our creek flows. People are being flooded and losing property because things aren't being done correctly. If you are someone wanting to make a difference and save your home, please call Jamie Bailes @425-379-2309 or 425-775-1311 (press 0). She is from the Department of Fisheries and Wildlife and is in charge of our area. She can help just give her a call.
- For current burn ban status and information, call 425-339-2300 or 360-793-1335.
- No dogs are allowed in any of our parks. Violators will be fined \$100.00.
- If you are currently renting your property, please be sure your renters have a copy of the rules.
- While children are playing or riding their bikes on the roads, please be sure they are wearing the appropriate safety equipment.
- Please observe stop signs for the safety of our children that are playing in the parks.
- Special monthly payment contracts can be arranged for those who are having trouble paying their dues. Please contact Becky at 425-350-1596.

PARKS AND ROADS

- *****We have started the transformation of Priscilla Park (located on Mountain View Pl) into an off leash dog park. Right now we are in the stages of clean up, fencing, and preparing it for a regular maintained park. It will be fenced and ready for dogs to roam in the near future!*****
- Dumping of any material into the creeks is against the law. Violators will be turned into the authorities. If anyone sees material floating in the creeks, please help out by removing it and disposing of it properly.
- We encourage all parents and child care givers to strongly warn their children of the dangers of riding scooters, bicycles, skate boards, etc. in the streets. We have had several close calls.
- **NO DOGS ALLOWED IN PARKS! (Please read above about our new dog park going in!)**
- NO unlicensed vehicles on the roadway or right of ways, violators will be fined.
- Please help keep our parks clean.

AROUND THE NEIGHBORHOOD

All you have to do is take a drive around our little community and you will see changes everywhere. Saving money is always good so we would like to point out that, you the community would create big savings if you would clear the edge of the road in front of your property. The roads are owned by all, so pitch in and help. It's very costly to have the edges scraped.
